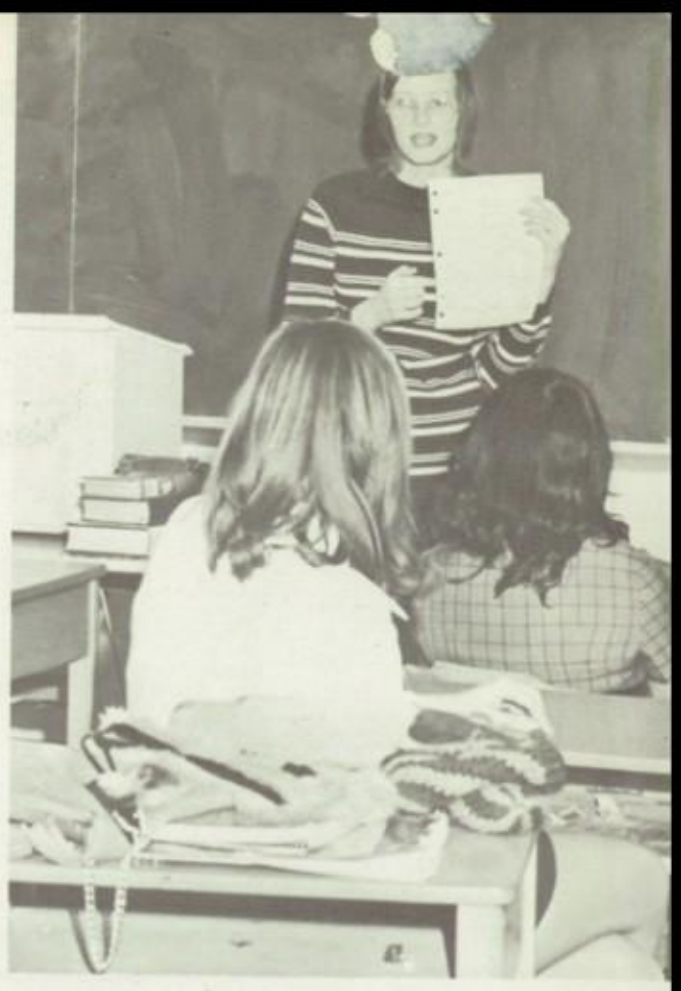
Lest We Forget . . .

our year, filled with memories. This yearbook . . . reflections of our school year . . . These words and pictures—our inadequate expression—seeking to capture all the experiences of our school year . . . We hope in some ways you'll find our efforts meaningful . . . everything is relevant . . . This is your book, so enjoy . . .

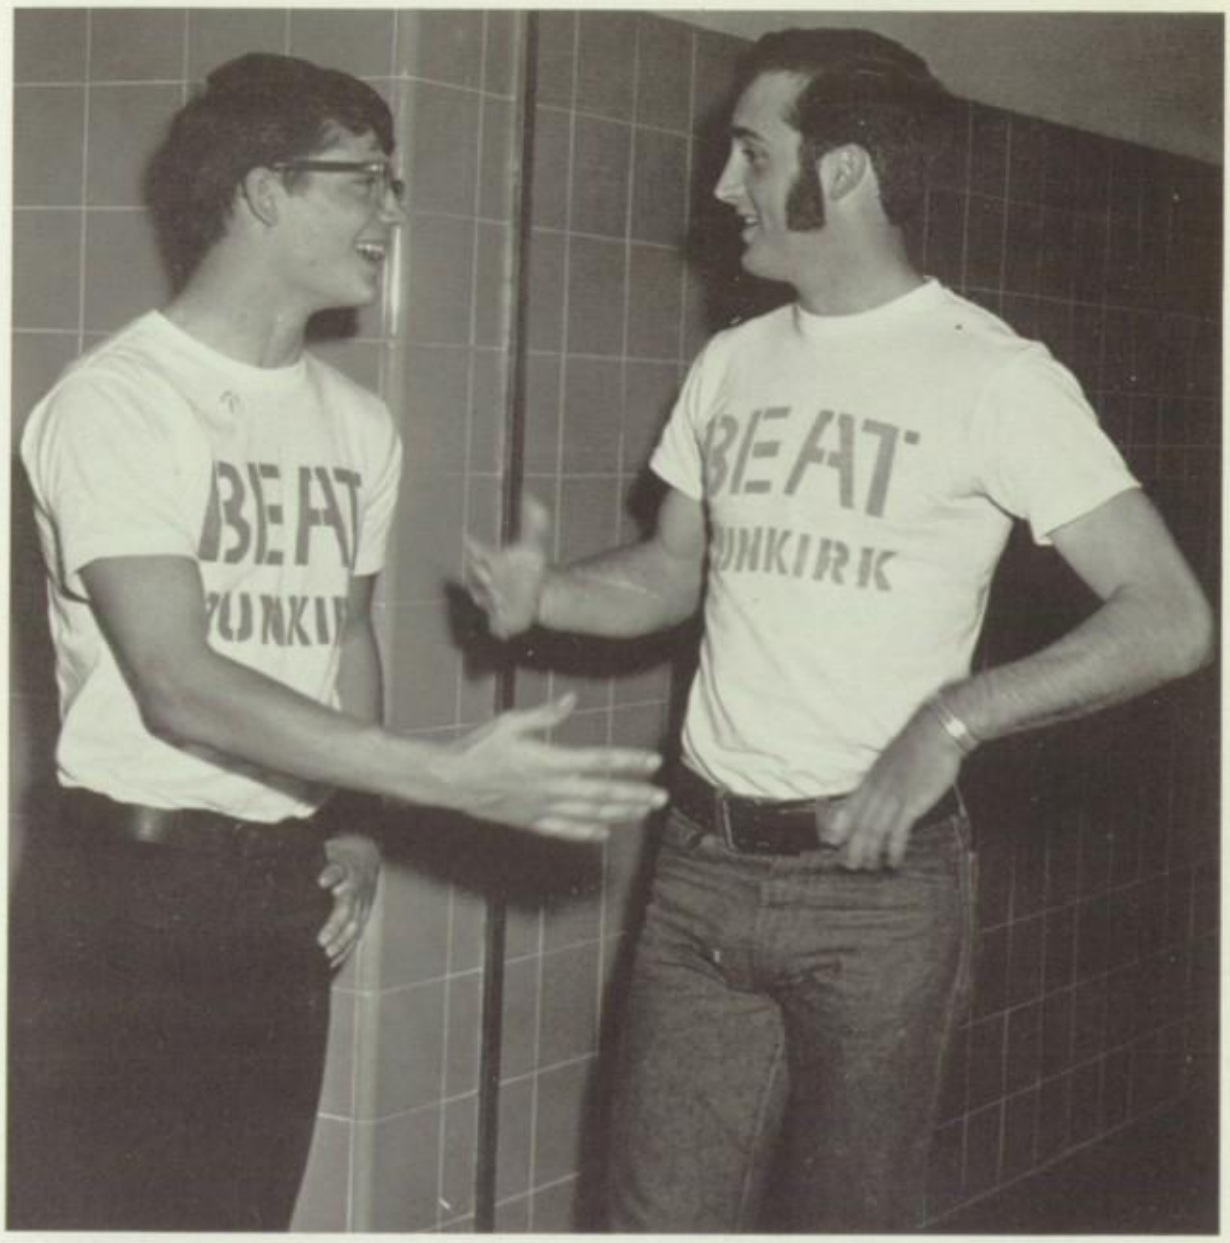


The Spirit

Spirit is
A sharing of enjoyment,
A group
of interested students making
an effort to do their part.

It is a pep rally
of rooting fans,
A teacher
enjoying school as much as
a student,
A team
huddled together as a close
knit family.

Southwestern is spirit.



Youth

The glad season of life.

Don't laugh at youth for his affectations; he's only trying on one face after another till he finds his own.

Our youth we can have but today; we may always find time to grow old.

No Schedule
Changes till Monday!

The Change

A year of change,
The modular study hall,
two more hours to go,
one more hour.
A schedule change,
No changes till Monday,
Today is Tuesday.
English changes,
Really acting in an
English class?
Mod class rooms,
bringing freer spirits.
Music in the cafeteria,
changing the dullness
of the hours.
Southwestern,
A year of change.

Student Council

President: Brad Carlson
Vice President: Barb Battler
Secretary: Carol Rushin
Treasurer: Pete Bosco
Advisor: Mr. Harp

This year all efforts have been directed toward solving the mystery of what Student Council actually does. The Lower House is open to anyone interested enough to attend, while the Upper House still carries out the organizational tasks which someone has to do. Projects initiated for the benefit of all were: the collection of food and money for the poor, revival of the Student-Faculty Association, supervision of dances, and purchase of a stereo system especially for study hall proctors. The council lost its store, the major source of both income and recognition. But Peter has served well in both departments.

Lower House Of Student Council

The Lower House provides everyone with a voice in our student government. Last year the Student Council recognized the need for everyone's involvement in school affairs and passed an amendment to form a bi-cameral system. Anyone who is interested is welcome at the meetings to express their ideas and enact them. Some projects already under way are, the suggestion box, movies after school and much needed help with the late bus system.

This is a reorganizing year for our Honor Society. By evaluating our structure and purpose, we hope to evolve as a more beneficial organization for the members and SW.

Scholarship

Pep Week–1971

The Pep Club's second annual Pep Week was held during the week of January 11-15. Decorations of high school athletes, pep, spirit, and a conglomeration of various signs led the way to the Pep rally Friday afternoon in the gym with the presentation of class skits and class spirit. Winning the event was the Sophomore Class with the Junior class in second place. The class, thought to be top in spirit for four years, finished third. Need we say they were the Seniors.

Senior spirit-itous meter?

There goes the Junior athletes!

Is he gonna make it on two legs?

Do you think winners need your help Sam?

Did someone say Pat Sanders posed for this?

Concession Stand

Thanks to: Mr. Puls
Mr. Pfaff
Mr. Radacker

Every year the Seniors get the privilege of running the concession stand for fun and profit. It's a great class activity, teaching everyone to spill and trip over things (or each other) with unity. Our very own popcorn machine turned out to be a real success; never failing to rake in profits and hold up customers. We operated on the philosophy that "If you get it to them fast and hot, they won't notice the taste." Our efforts payed off, as was evidenced by our nightly refrigerator of "cold cash."

"I think it needs a little more salt."

President: Brad Carlson
Vice President: Don Lynn
Advisor: Mr. Rizzo

SW now has a newly formed chapter of the American Field Service. The program is a community effort which sponsors a student from abroad to study at SW. The student will arrive in the fall of 1971. The lay committee has been formed to screen applicant families. In the summer of 1972 we will send our first American abroad. We are proud of our community support.

Homecoming 1970

Climaxing our football season was the annual Homecoming Weekend, October 16 and 17. Friday night during half time of the Salamanca game, the queen and her court were crowned. As is Southwestern's tradition, it was cold and muddy on the football field; but who notices that with all those beautiful girls?

Saturday night was spent "In the Park" with music by "The Saints". Formality was lost as everyone rocked out among the bridges and fountains.

Queen: Julie Wilson

ROYAL COURT: Jeanne Anderson, first attendant; Suzanne Moran, Lady-in-Waiting; Lynn Arrison, second attendant; Carol Rushin, Princess; Brenda Lundquist, Dutchess.

Even the cold cannot squelch our enthusiasm.

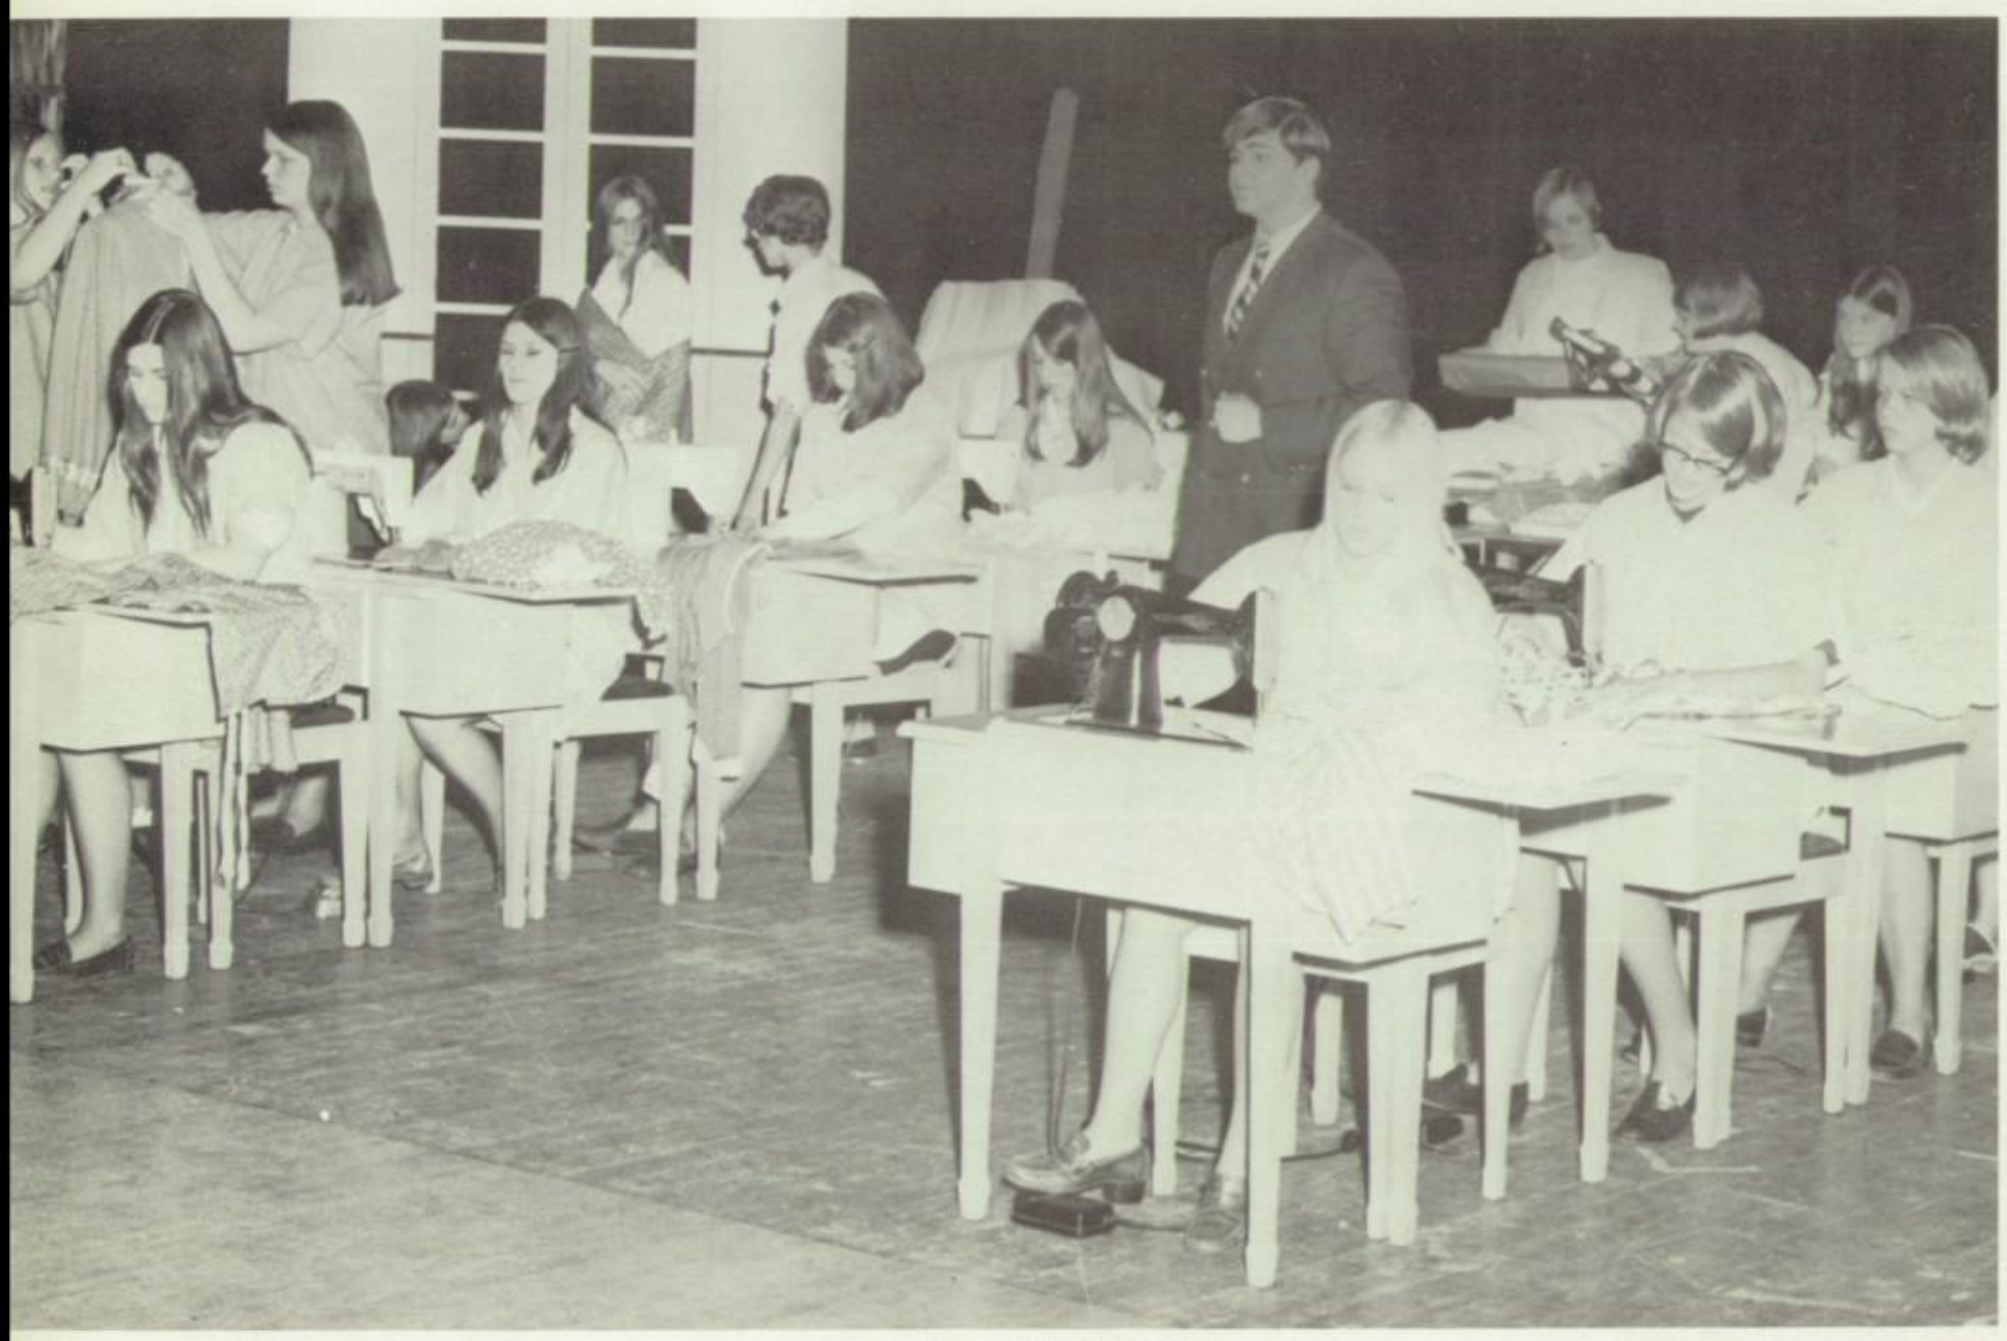
"The Pajama Game"

"I know a dark secluded place."

"Picture this . . ."



"Hurry up, Hurry up"

"Madame Chairman, we have a grievance."

In their production of "The Pajama Game", the Class of '71 displayed an abundance of both ingredients for success; talent and enthusiasm. The story revolved around a labor dispute at the "Sleep-tite" pajama factory. Complications arose when the chairman of the Grievance Committee, played by Debbie Nowell, found herself in love with the management, in the person of Dave Backus. Highlights of the show were such songs as "Hernando's Hideaway", "I'm not at All in Love" and "Hey There". In memorable roles were: Sam Mason as the efficiency expert; Jody Freed, and Diane Brevoort as secretaries; and Jim Wolinsky as the "thrifty" owner; along with an excellent chorus of workers.

Undertaking a full-scale musical is no small task, and the entire cast did an excellent job under the direction of Mr. Machlan and Debbie Kellogg. The musical assistance of Mrs. Machlan, combined with Cathy Steg's accompaniment all helped to make "Pajama Game" a success.

"Pajamas are at a crossroad."

Trojan Playhouse Presents "Strange Bedfellows"

"The Emperor"—Mr. Machlan

Row 1: M. Liliestedt, M. Smith, B. Murray. Row 2: C. Bush, N. Meeker, S. Gordon, J. Hendrickson, T. Sherman, V. Bergman. Row 3: D. Lynn, S. Mason, A. Korol, C. Rushin, B. Calkins, C. Nieves, K. Garey, B. Stromer, J. Larson.

"I know William, but listen . . ."

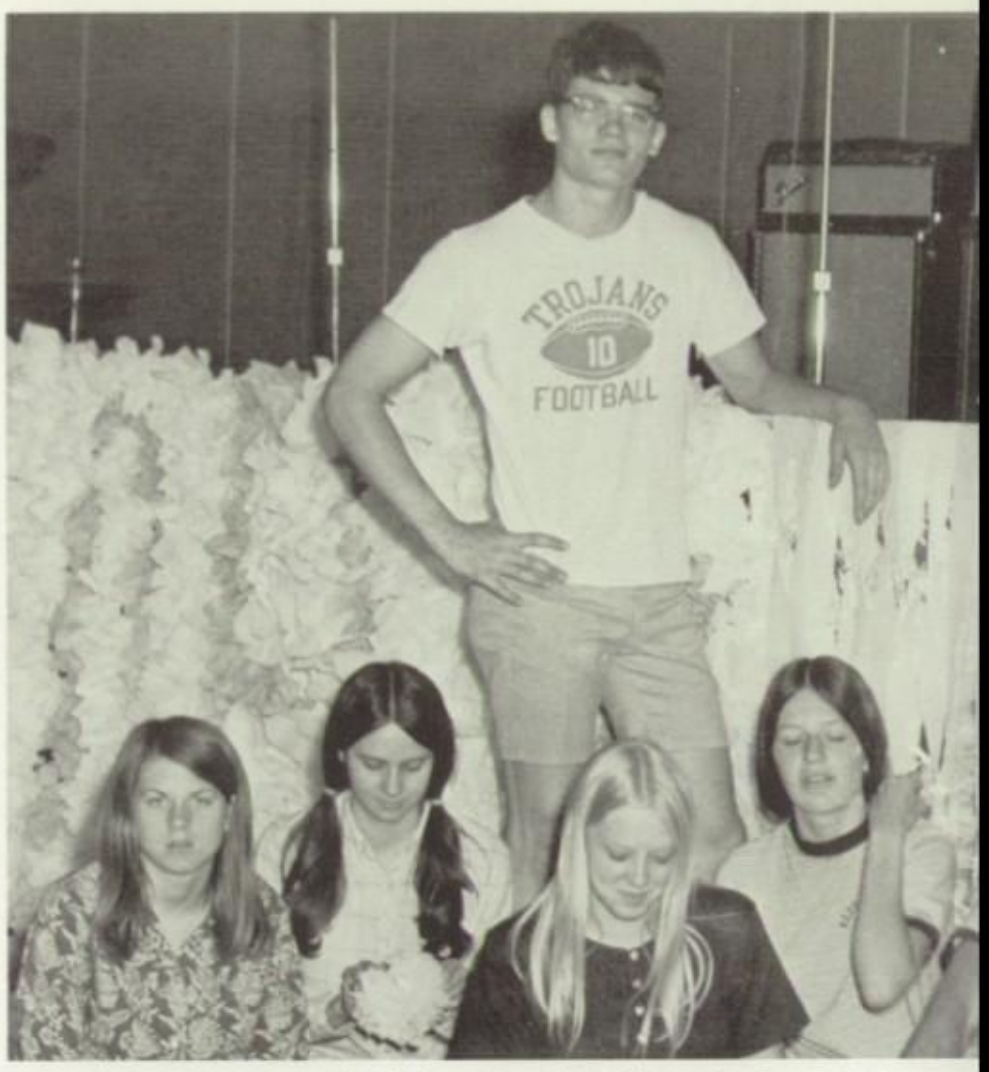
"I hope you're not leading that boy on."

"The east's idea of a Western Congressman."

"Big Tillie"

The first production of this year's Trojan Playhouse was a comedy, "Strange Bed Fellows." Though the action was set in the 1890's, the theme had very current appeal. This tale of the "domineering female" of the Suffrage movement has its counterpart in our modern "Woman's Lib." Action revolved around both sides of a political issue. Don Lynn and JoAnn Hendrickson played the newlyweds, harassed by a bellowing father, Sam Mason. The fast paced action and relevent dialogue made the play a success.

Al-de-La



"Rome wasn't built in a day." Would you believe two?

Do as the Romans do?

Seranades on the Plaza.

The evening of June 6th the Juniors presented Al-de-La; an evening on the Roman plaza. The setting was perfect from billowy skies to horse drawn chariot. At midnight our royalty was coronated in a pillar flanked temple. Neptune watched as the beautiful couples drank from a flowing fountain and danced to the music of The Elevator.

Our Royal Family: Queen, Anne Goodell, King, Vance Nau; First Attendants, Emily Anderson, Jeff Flanders; Second Attendants, Karen Knickerbocker, Jay Swanson; Third Attendants, Mary Lou House, Dennis Franklin.

Class Of 72

Now the Junior Class of Southwestern, the class of '72, is in what is considered the most important, most interesting, and most active year of high school. Those of us college bound have our college entrance exams, while others will be participating in BOCES. Many of our members have gone out for the various varsity squads. It is our most significant year as individuals but also is our most important as a class.

After two years in this school, we have firmly established ourselves as a class of great potential; in raising class funds, in school spirit, and in having fun. This is the year we prove our real talent and spirit with such projects as the Prom, Interclass Games and Pep Week.

We must show our unity and spirit through our activities. The class of '72 will prove to be a class that can be counted on for originality, responsibility and foremost, for an undying pride in its class, its teams and in SWCS.

Class Of 73

Our motto as Sophomores is unity: unity with the school and within our own class. To further this goal we initiated many activities and found that by working together, we inspired friendship toward each other while fulfilling our financial obligations.

It has been gratifying to see the overwhelming improvements in support and involvement that have been aroused during our Sophomore year.

Although hard work has been required, this year has been a pleasure. We are looking forward to our Junior and Senior years and the many more challenging experiences to come.

Stack that good!

Try to remember.

As freshmen, we are proud to be members of this school. In our first year, we are learning of the burdens and pleasures of working together. We have the advantage of new ideas and enthusiasm and will utilize them to contribute all we can to Southwestern. We hope that not only our class, but the entire student body will strive together to make the most of our school and it's educational opportunities.

The primary concern of the Spanish Club this year was to earn money to finance a trip to Puerto Rico. Several members of the club took the trip with a group from Jamestown Community College in April. Taco sales and various other methods of money raising were planned. Other highlights of this year's Spanish Club were the international dinner and the Spanish dinner, held for those who worked on last year's taco sale. The enthusiasm of this year's members, officers, and advisor proved to make the 1970-71 year a successful and rewarding one.

"Verstandnis" is the motto of S.W.'s German Club. Many programs have been planned to increase the understanding of the German folk. Mark Ebersole, Barb Sanderson, and Fraulein Thomas spoke of their travels in Deutschland, and many German natives were invited to visit.

A Student-Faculty Volleyball game and Christmas candle sale provided funds for the annual scholarship and individual awards. The awards serve as incentives to students to increase their knowledge of the language. A special winter party was planned for members to enjoy German food, customs, and each other's company.

Debate Club

Debating is an intellectual game which requires a lot of research and a quick mind. All the members of Southwestern's debate club do their own preparation and represent the school in various divisions according to their experience. Southwestern is a member of three leagues, including Western New York, Pennsylvania, Ohio; and the National Forensics League.

Jay-vee Debaters: C. Rushin, T. Stuart, K. Cole, K. McDonnell, D. Campbell, K. Garey.

Varsity Debaters

For major tournaments, the varsity team is chosen from the three captains and the six Jay-vee debaters. They had a quantity of valuable experience to draw from as the seniors were state finalists last year and the Jay-vees were Western New York regional winners. This year's varsity was supplemented by a large turnout of ambitious novices who demonstrated not only promise for the future, but started their first year with excellence.

Tri-captains: JoAnn Hendrickson, Michael Liliestedt, Mark Ebersole.

The Trojan, S.W.'s school newspaper is published eight times a year by those students at S.W. who either plan a career in journalism or who enjoy newspaper work as a hobby. The Trojan tries to stimulate progressive attitudes concerning problems of our time—pollution, politics, school procedure, and drugs. The paper tries to present the facts concerning school functions and to promote worthwhile projects in the school.

Centralian

Our Yearbook shows through pictures and words, a school year at Southwestern. We of the Centralian sought to reflect this year with all the happenings which make it distinct from any other. Southwestern incorporates unique people with a very special philosophy and a lot of enthusiasm. We hope that our efforts have captured this atmosphere and will preserve it in our memories.

If a successful season is based on games won or lost, then we were successful. If success is based upon the three C's of confidence, courage, and cause, then we were also successful, for these three traits were very evident in this year's team.

Football has instilled confidence in these young men. It has also built courage and developed the ability to fight for a cause. Good luck to the seniors and to the juniors and sophomores—this reminder:

Just get into the thick of it friend.
What ever your cherished goal;
Brace up your will till
your pulses thrill,
And you dare—to your very soul!
Do something more that make a noise;
Let your purpose leap into flame
As you plunge with a cry.
"I shall do or die."
THEN you'll be playing the game.

Cross Country

Who is more capable than Mr. Priester to sum up the best Cross Country season Southwestern has ever had . . .

"Before the first week of practice, considering the possible number of returnees, and the fact that we lost three seniors and one returning letterman, I thought we might have an average season-record wise (50-50). We probably would finish around 5th in the county meet."

"Throughout the season each individual continued to lower their times while losing only to Fredonia in triangular and quadrangular meets. In nine league meets, they were first seven times and second only twice. They placed second at the Pine Valley open meet, and finished the season with their highest finishes ever at the County—2nd and Sectionals—3rd. The J.V.'s beat Fredonia at the Sectionals for the first time in Southwestern's history."

Varsity Basketball 1971

SW's Varsity Basketball team had a remarkable season this year. Suspected as the underdog the Trojan athletes proved their abilities well on the court. After up-setting Fredonia two out of three league games the Trojans won the County "A" championship. They then went on and won the Sectional Quarter Final Play-off game in a remarkable game against Newfane, which put them in the Sectional Semi-Final Play-off game against JFK High School.

Freshman Basketball

Under the coaching of Mr. Frederes, the Freshman basketball team had an outstanding team record for the 1970-1971 season. It was the first time the Freshmen won the league championship.

Bowling 1971

1971 brought the Bowling Team, a new coach and a large turnout of young bowlers. Mr. Davis made a return appearance from the Middle School, to lead this season's squad. It has been a profitable year for all, with valuable experience gained. Three of the four first string bowlers, Ben DiTinto, Rick Zahn, Bruce Jackson, and Doug Flanagan, will return next year.

Varsity Baseball 1970

B. Peterson, Coach Frederes, T. Wagner. Both men enjoyed an excellent season and were selected to the C.C.I.A.C. All-Star Team. (Peterson being the shortstop and Wagner an outfielder.) In my opinion Bruce was my outstanding defensive performer and besides anchoring the infield was a spirited leader. Wagner (Daddy Wags) was my offensive leader with a fine .323 average in league contests. He also pitched two games and won them both for the Trojans.

J.V. Squad

From the standpoint of victories, the 1970 J.V. baseball season could not be considered a successful one. With Art Guyer, Kerry Kellogg, and Gary Carlson moving up to the Varsity Squad, the J.V. pitching staff was worn thin, Doug Brink and Mark Holcomb carrying the load.

The season did, however, give valuable playing experience to many underclassmen. This experience should benefit our Varsity in seasons to come.

It is the hope of Mr. Gustavson and Mr. Federes that these boys will form the nucleus of a team which will return a winning baseball tradition to Southwestern.

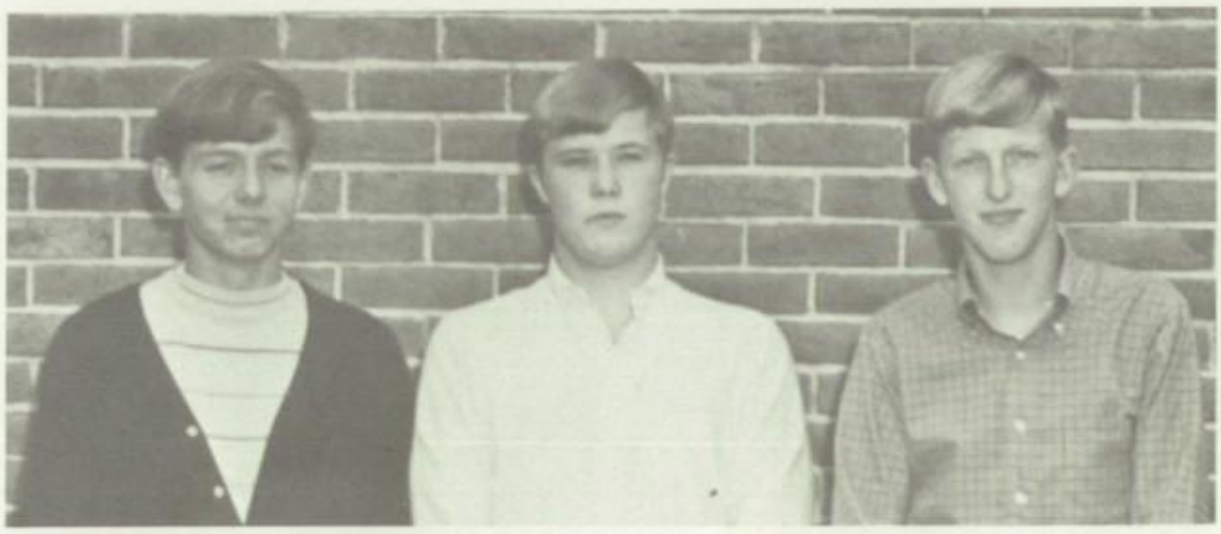
Sports Boosters 1971

The Southwestern Sports Boosters Club is an adult organization to promote community support to the athletes of our school. Through their efforts, recognition is given to the athletes in the form of maintaining the display case in the main hall, as well as the annual awards banquet in June.

Mr. Munson, F. Larson, J. Johnson, T. Johnson, R. Swanson, R. Bjork, J. Lindell, R. Turnquist, G. Fish, J. Hutchinson.

Golf Team 1970



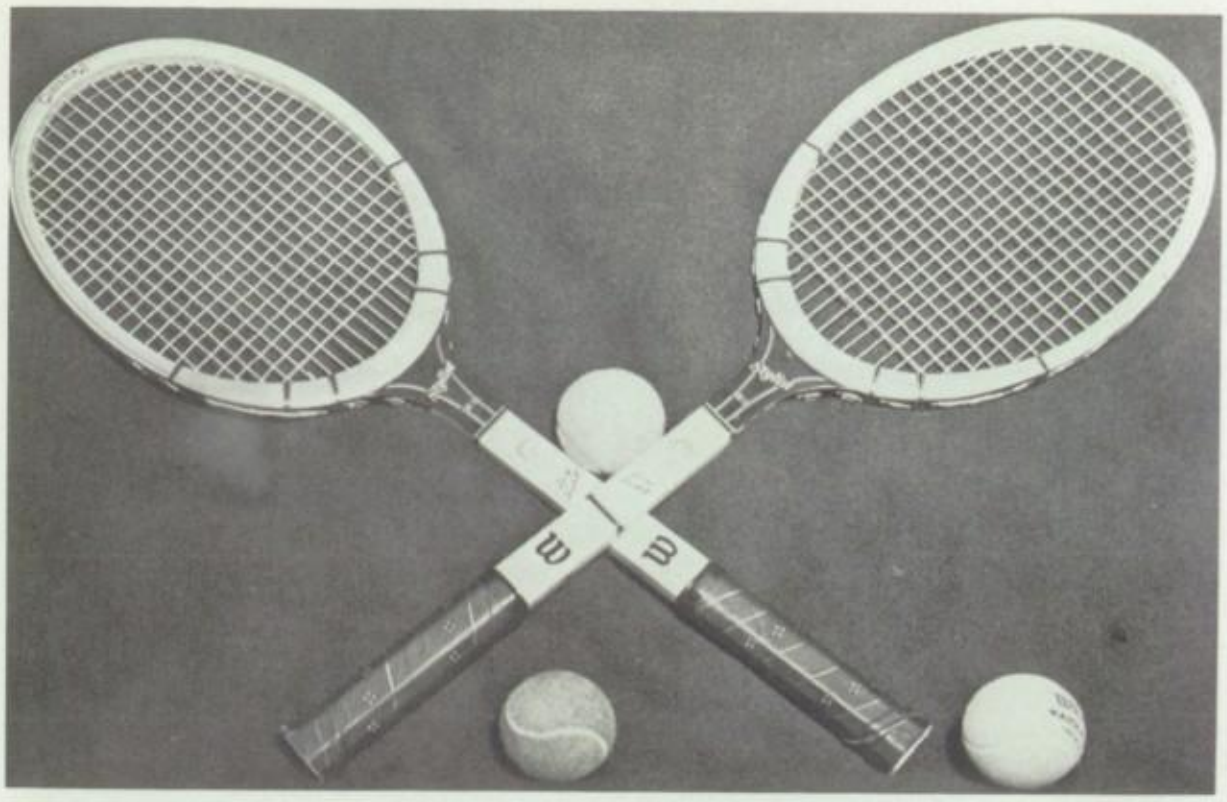
The 1970 Golf Team, under the coaching eye of Mr. Eugene Munson, did extremely well in league competition, with an overall record of 13 wins, one loss, and one tie. The team took the Section Six Champs for the first time in school history. During the 1970 season they were the A, AA, and AAA Champs. In the Chautauqua County Golf League they had an overall average of 8-0-1.

It proved to be a long day July 20, 21, 1970 but it was worth it for three golfers from Southwestern Central. Tom Johnson had to go four extra holes before he could join Randy Swanson and Joe Johnson for the honor of representing New York State at the Pro-Am Youth Tournament, held in Oklahoma City on August 14-18.

The Pro-Am Tournament brings together the best young golfers from all states. There is a 36 hole qualification match and those who qualify for the last two days of the tournament get a chance to play with a professional golfer.

Randy and Tom failed to make the finals but Joe's consistency paid off. Joe had the pleasure of playing with Julius Boros and Bobby Nicolls the last two days of the tournament.

The prowess of these three fine golfers and their conduct not only made Southwestern proud of them, but the State of New York, the county and local area received favorable comments concerning these three young men.



The weapons of the sport.

Tennis Team 1970

It was a rebuilding year for the Tennis Team of 1970 as graduation left only two starters. The experience the members gained under the coaching of Mr. Schmidtfrerick should help them have a fine 1971 season. Most of the members of last years team will be back again and will fare well in competition. 1970 record—(5 wins, 7 losses).

Lest We Forget—

The Reflections of Our School Year.

Farewell:

The year is closed
the record made:
the last deed done:
The last word said.
The memories alone
remains
Of all it's joys, it's
griefs, its gains.
And with purpose full
and dear,
I turn to meet another
year.

Despite having a very young squad, the Varsity Baseball Team finished with a fine 8 wins, 6 losses record. Led by Seniors Terry Wagner and Wesley Main who were both selected to the All-Conference First Team, the Trojans finished 3rd in the Conference. To add luster to our ranks, Art Guyer and Greg Guichard, both Sophomores were selected to the Conference Second Team. Art and Greg also led our team in hitting with .378 and .377 averages, respectively. Wagner pitched 7 wins and Main led our team in base on balls, stolen bases and runs scored.

After a poor turnout, and poor practice weather, the Trojan trackmen went on to one of their finest seasons. After coming in third at the CCIAC meet, the hard work paid off as we went on to finish fourth in the Sectionals. Here the following qualified for the Section VI State Qualifier:

Mark Swanson—880.
Pat Sanders—Highjump.
Brian Hull—Two Mile.
Jay Guthenecht, Jerry Marra, Mike Liliestedt, and Mark Swanson—Two Mile Relay Team.

At the Qualifier, Pat took second and went to the State Meet. Brian, a Freshman, finished fourth setting an excellent school record: 9:42.2.

"The results were very gratifying to me, because the dedication and perseverance of the new members along with the experience of the old members turned what looked like a very poor season into one which had many pleasant surprises. It is very gratifying to know we have some young men who are willing to sacrifice some of the things they enjoy to help make a winning team."

Since SW is the only "A" school with a volleyball team in Chautauqua County, it is necessary to scrimmage as many schools as possible before we begin sectional play.

Our scrimmages this year were against Falconer, Chautauqua, Cassadaga Valley and Dunkirk. The highlight of our scrimmages was our complete sweep of 7 sets over Dunkirk. The score of the 7th set was 15 to 1.

Sectional 6 play was held at Pioneer Central School. This time Pioneer defeated the Trojans in 2 straight sets for the section 6 championship.

Twenty-four people came out for the Tennis team this season in the biggest turnout ever. Another first was the addition of seven girls to the team adding beauty to the courts. The overall season record was five wins, eight losses. The CCIAC League record was five wins, six losses. The best individual record was Don Lynn with sixteen wins and three losses (including playoffs). Bob Moberg was next with an individual record of fifteen wins, three losses (including playoffs).

Bob and Don captured the Section VI Class "A" Doubles title.

Coach Munson

With the advent of the golf year, the word was, to beware of the mighty Trojans. This was due to an all veteran outfit lead by three outstanding seniors; Tom Johnson, Randy Swanson, and Joe Johnson. These three, along with the other linkmen led the team to many firsts including:

- Best season record
  15 wins 1 loss
- Tied for Bi-County league
  9 wins 1 loss
- 1st Chautauqua County Championship.
- Section VI All-Conference Championship.
- Ny. State Intersectional Regional Championship.
- Third year sectional winner.

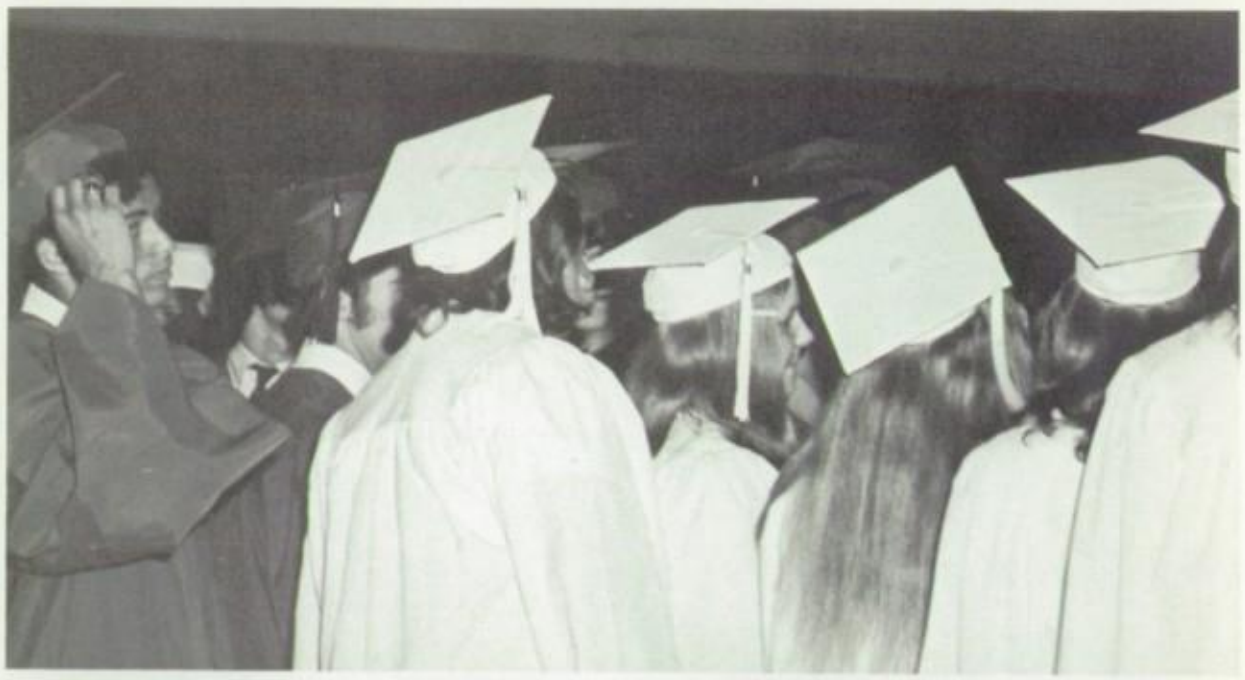
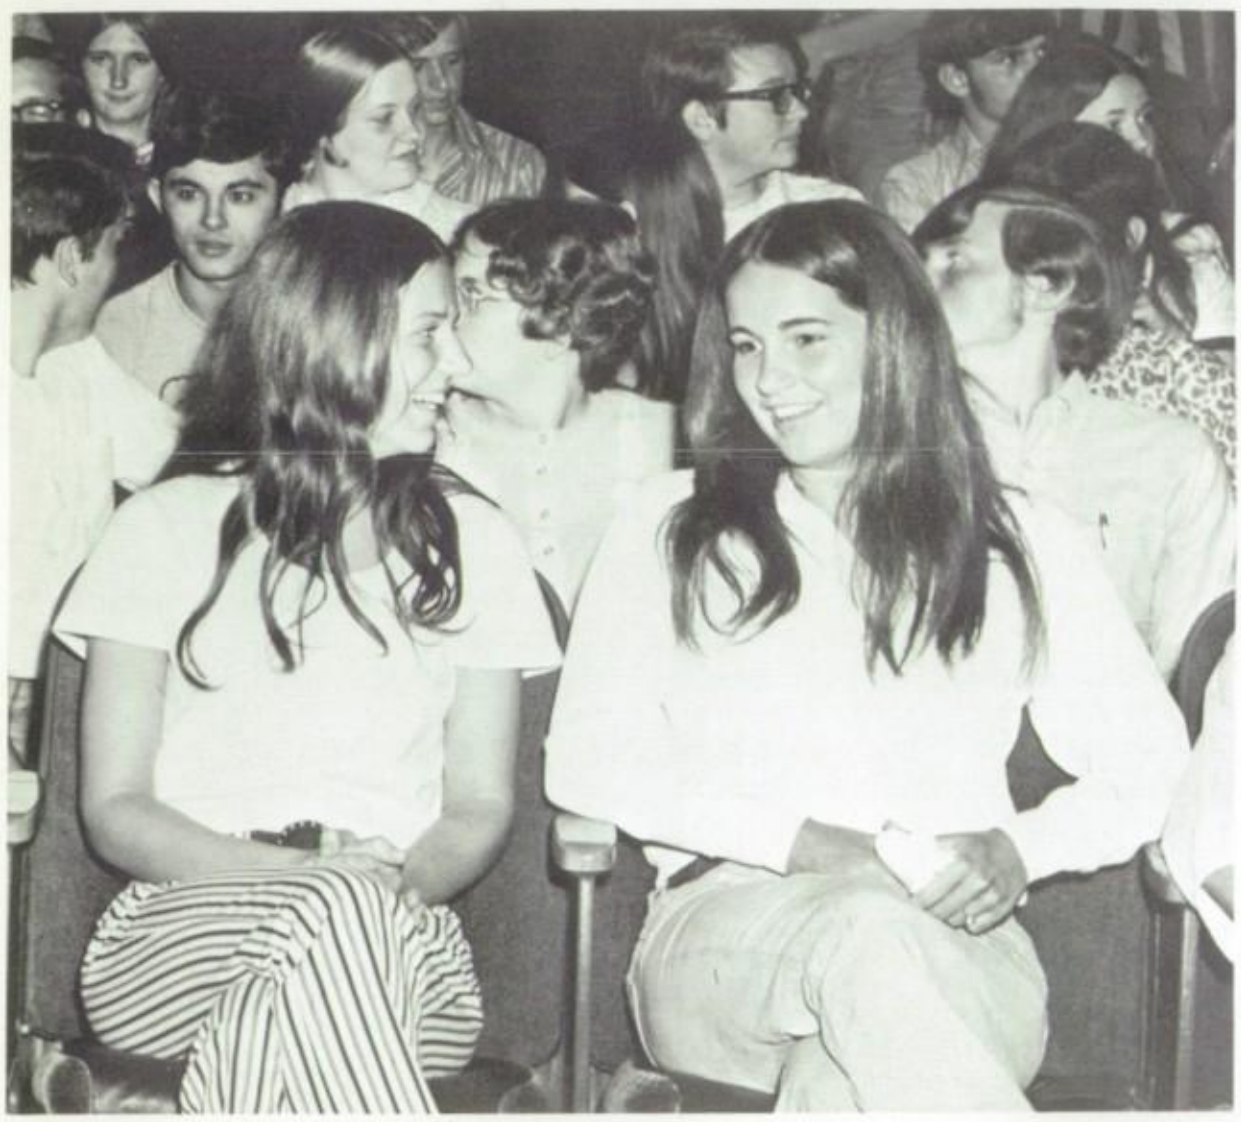
Former U.S. Senator, Charles Goodell

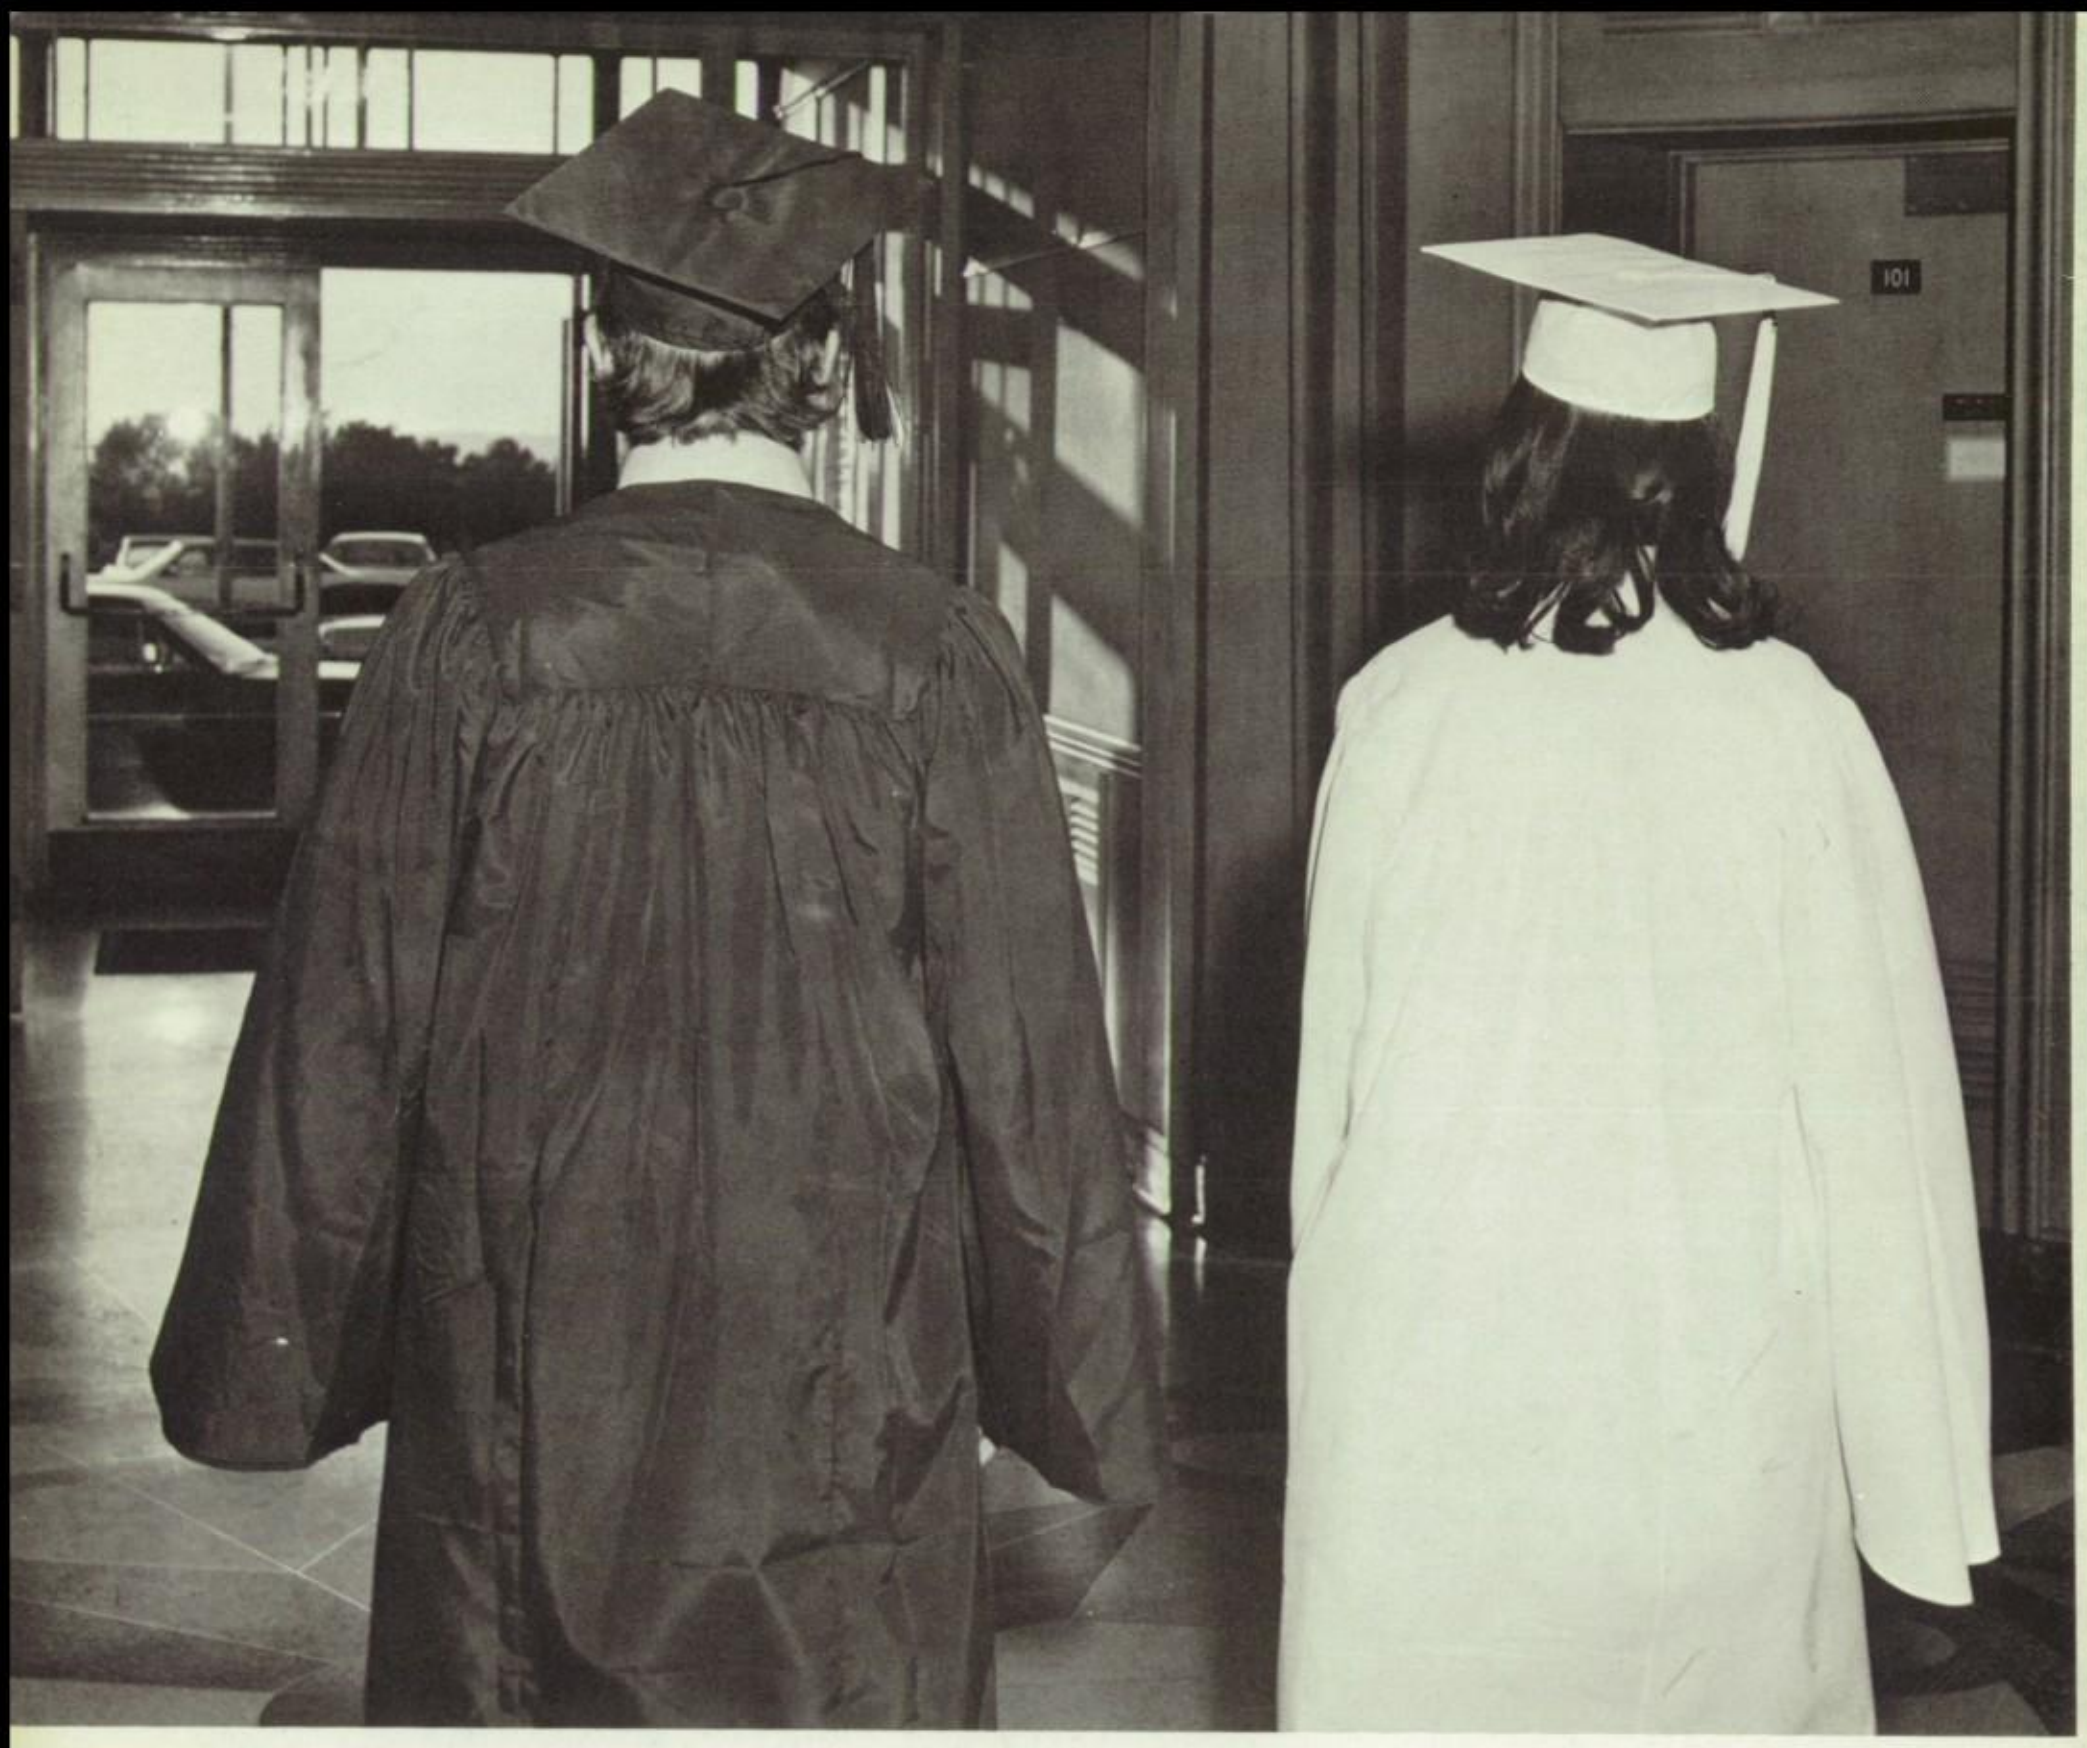


'71 Valedictorian, JoAnn Hendrickson

'71 Salutatorian, Michael Liliestedt



Climaxing a long four years, the class of '71, who took on the trademark this year of "We've all had a ball," partook in its commencement ceremonies on the hot humid night of June 28, with Baccalaureate services on Sunday June 27. 271 graduates received their red and blue diplomas from school board president, Mr. Robert Garlinger. Guest speaker at the exercises was former United States Senator, Mr. Charles Goodell. Mr. Goodell spoke of the need for the graduates to ask the right questions concerning the problems of our time. JoAnn Hendrickson delivered the Valedictory address with Michael Liliestedt giving the Salutatory address. Mr. Royce Mallory awarded scholarships to several graduating seniors. Reverend Elton Peterson gave the invocation with Father Horn delivering the Benediction.



This marks the end of another school year. To 241 members of Southwestern, this is the last of everything; the last walk up the sidewalk, the last book to open, the last yearbook. To others it is one more step in the realization of a high school diploma.

This may be the end but it is also a beginning. What will be the pattern in the 71-72 school year? Each year that the Senior class leaves they take with them a part of the school, reflected in the influence they have upon the school and its personality. Each year you might say, a new personality can emerge from within the student population. This personality of the school can be seen when the students take a look at what their school represents, and what the community thinks it represents.

In choosing a new personality for the school there are two roads to be taken. One road leads to the current theme of letting everyone "do their own thing". This seems to be the road traveled in the past few years and it seems to lead no where but into a rut of apathy. You don't think so? Take a look at Student Council, Class plays, Honor Society, Class meetings and class activities. The often not traveled road is one which used to be traveled a great deal. This personality route provides for class unity, a good reflection of our school on our community and pride in ourselves.

What road is the school going to take as it enters into this new school year? Are students going to take the easy way out by taking the easy road or will they unite together to face the problems in providing a new personality?

How can the classes acquire a good personality? The first thing is to unite as a class as a whole, and as a friendly student body. Encourage stimulating class activities and put as much free time as possible back into school academic and social activities. The school should become more involved in community affairs, so that the school can have a ready and easy to understand relationship outside school boundaries.

With these defenses, the student body should have no trouble reaching the end of this not so traveled road, ending the school year with a sense of accomplishment, pride and a personality worthy of this great school.
